remembers conversation w/ NPS supt. Bill — about grazing...

Bob Abbey - consultant w/ Mike Ford

↳ call **PHONE NUMBER**, former NV state director

left VM

10/2 Call w/ Bob Abbey

he was heavily involved in 2012 buildup - he was BLM Director at the time

There could have been pressure from PEER for BLM to enforce court order

He doesn't remember an OIG report, but there could have been one or maybe a GAO report

He suggested checking w/ WO grazing staff
